Top 10 Reasons to Buy a New Clutch Set

- 1) Basic Manufacturer - We manufacture the clutch covers and discs in 80% of our top selling clutch sets. All other components are bought from OE suppliers.
- 2) All product development done in the United States utilizing a product management staff with over 50 years of combined clutch experience.
- 3) We use state of the art testing equipment to ensure the best quality and proper specifications. Each clutch set is engineered and designed to meet or exceed ONE MILLION engagements.
- 4) Excellent Technical Support Staff - 3 dedicated and 2 backup ASE Certified tech helpers with a combined 86 years of clutch expertise. If you need help, please call 1-800-258-8312.
- 5) Marketing focus that has turned out the best and newest application catalog in the automotive industry!
- 6) Save Time and Money- We not only have 5 piece sets that include a cover, disc, OE release bearing, pilot bearing, and alignment tool; We now offer forty-four (44) 6- piece clutch sets that include a Hydraulic Line Disconnect Tool!
- 7) We are the only supplier that can offer OE Clutch Sets, ZOOM Performance Clutch Sets, Hydraulics, and NEW FLYWHEELS!
- 8) We have system upgrade kits for Dodge Cummins, Ford Power Stroke, and Chevrolet/GMC pickups.
- 9) We are the OFFICIAL CLUTCH of Richard Petty Driving Experience and Team Toyo Drift.
- 10) Comprehensive Website that includes clutch tech tips and product info. www.perfectionclutch.com
