PERFECTION ACQUIRES AFFINIA'S AFTERMARKET CLUTCH HYDRAULIC BUSINESS

TIMMONSVILLE, SC, DECEMBER 3, 2008: Perfection (Timmonsville, SC), a Marmon Highway Technologies - Berkshire Hathaway company has announced an agreement with Affinia Group Inc (Ann Arbor, MI) to acquire the clutch hydraulic business from Affinia's Global Brake and Chassis business unit. The two companies will be working together in the coming months to finalize this transaction, and to insure a smooth transition with Affinia's customers and suppliers.

Jim Ott, President of Perfection said, "This transaction is good for us, Affinia, and our customers. It provides Perfection with a complete clutch system offering and it gives Affinia's brake and chassis people more time to spend on their core products". "As for customers, this acquisition will make our already comprehensive coverage even better and we will be able to support customers as only a clutch specialist can."
